

Equipping for the Christian Journey

Joe & Jo Hughes with Bryan Weatherford of BIZTV

End of Year Report 2019

The beginning of 2019 started with an interview about EGI on BIZTV, which gave great opportunity to make people aware of the material EGI has available to help in training and ministry. The 12 minute interview with the host of the show, Bryan Weatherford, can be viewed on www.equippersgroup.org. In the interview you will hear how Joe & Jo came to Jesus Christ in Rome Italy in 1975, how the vision for EGI developed and where EGI is at work.

EGI was created to provide practical training and materials uniquely designed to meet these urgent needs.

"More than 3 million dedicated church leaders throughout the developing world have received little or no Biblical training. When leaders leave their area of ministry to attend distant Bible Schools, congregations struggle on their own. Between 80-90% of those who leave for formal training and schooling do not return." Ralph Winter (deceased), founder US Center for World Mission

Is YOUR Vision 20/20 for His Kingdom in 2020?

The Lord gave a small group of friends in North Texas the vision to write, design and produce training manuals that were easy to understand and teach the basic Christian principles for new converts and developing leaders. Without their help none of this would have been possible, and they continue to stand with us today. But with the new decade we must carry on – *with their help and yours* – to bring EGI to more nations and in more languages.

If you would like to make a contribution to help us continue this work, please send to EGI, PO Box 399, Euless, TX 76039
 Tel: 817-545-5115 www.equippersgroup.org. For tax purposes, please make sure your *check is postmarked by Dec. 31, 2019*.

May each of you be blessed in 2020 and have the favor of the Lord and all that HE has prepared for you!

As always, thanks for your prayers, love and support.

Joe & Jo Hughes and the whole EGI Team
