**ACTION PLAN**

Equipping for the Christian Journey

# ACTION PLAN

## OVERVIEW

**The closing session is designed to create a written “Action Plan” that will be implemented upon each participant’s return to their local church. This plan will help maximize and train the human resources under a leader’s authority and expand the work force and laborers for the “harvest.” This process is accomplished by implementing the truths and principles taught in EGI’s Getting Equipped™ Series. This session includes an opportunity to evaluate what each participant has learned. Answers are given at the end of the session.**

**Time required to complete this session: 1 1/2 hours**
